LARGE STAKE RACES

Many Entries and Some of the Best Horses in the Country.

THE TRACK IMPROVEMENTS

A Grand Stand That Will Be a Credit to the State—A Letter From Manager Tipton Giving Assurance—Notes.

The Butte race track is commencing to look very much like a race track. About 100 men are now employed on the different improvements that are being made and when the track is thrown open to the public all of the old landmarks will be gone and race patrons will find some trouble in locating themselves at first amid the entirely new and greatly improved surroundings. About the only familiar feature will be the track itself and no great improvements have been made there for the reason that none were needed.

The new betting ring is almost completed, the new paddock was finished yesterday and the frame work of the big new grand stand is in position. The stand is mastodon but graceful in its proportions and is larger than the stand at Hawthorne park in Chicago. It will be complete and convenient in every detail and would be a credit to any of the big eastern tracks. Work has been commenced on 250 new stalls and the merry music of the carpenter is heard all over the track. The ground surrounding the grand stand and betting ring has been graded and the general appearance of the track has been greatly improved. There are about 20 horses at the track and they are all doing and looking well.

The following list of entries for the big stake races at Butte was handed into the Standard office, with an encouraging letter from Manager Tipton: "Anacanda, Mont., June 3, 1896.

"The Standard, Butte, Mont.

"Gentlemen—Find herewith entries for handicaps and stakes. Please call attention to the fact that every race filled fairly well with the exception of the Oro-Plata purse, (\$1,200) which purse received only three entries. However, we do not propose to declare anything off—every race will go, regardless of the number of entries received. Also call attention to the fact that entries for harness races for the first two weeks at Anacanda will close on June 11th. Very respectfully,

"Ed A. Tipton, Manager."
